Bathroom

Enjoy a smooth bathroom routines

Less is more, this bathroom design is simple and meets the basic needs of bathroom storage and living routine, the black framed grass door is timeless.

08/KITCHEN

Kitchen cabinet: 3.5m base cabinet, 2.7m wall cabinet,
3.8m tall cabinet, 3.6m counter top

Kitchen | Enjoy cooking

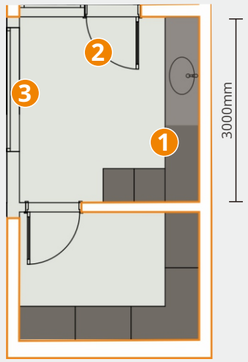

Kitchen Fendi has powerful storage functions, storing different ingredients, tools and appliances according to the storage area, washing area, side dish area, and cooking area. Light gray and white door panels are the classic collocation for kitchens. The tidy kitchen makes people happy to cook; the dark quartz countertop is easy to clean after cooking; the design of the wall hanging system makes full use the space between the countertop and the bottom of the wall cabinet

Another bright spot of the kitchen is the black metal frame. Humble as it seems, it is actually a stroke of genius, carrying a sense of art with it.
